Sponsorship Opportunity

Jonesboro High School Ensemble of Bands is a prestigious group of young musicians and performers who share a passion for performing and artistic excellence. The Jonesboro High School Ensemble of Bands perform throughout the United States at competitions, parades, community and collegiate events. This award winning group travels over 1,000 miles each season. Group performances take on many levels of financial support for staffing, uniforms, equipment, transportation and other operational expenses.

Students benefit directly from their participation in band programs. Our bands are a vehicle used to give young musicians unforgettable experiences throughout their high school matriculation. The competitive aspect of music helps students gain confidence in their playing, develop the ability to act under pressure, and learn how to persevere-all of which are essential to growth.

There are a number of surprising academic benefits to students who study music. Studies show that learning to play an instrument enhances a student's performance in various academic areas. Each academic year, combined band scholarships have increased. Most recently, our 2020 graduates accumulated over 1.2 million dollars in band scholarship offers.

The band has parental support from the Jonesboro Band Booster, Inc. However, we are looking for community partners to support our scholars throughout their musical endeavors. By sponsoring, you will be promoting your company to thousands. You will also show your support for our community and educational success. With your sponsorship, you help to enrich the high school experience for a large number of scholars.

Please consider showing your company's commitment to quality education by becoming a sponsor. We are offering various tiers of sponsorship. We appreciate the support and encouragement of all of our community partners and thank you for considering joining the Jonesboro High School Ensemble of Bands family.

Musically Yours,

Lynel N. Goodwin
Director of Bands
Jonesboro High School
